

# Ecloud referral program

Get up to 40€ of credits for your cloud storage by inviting your friends to ecloud!

For every friend who joins and creates an ecloud account, you will both earn 2€ to be used for cloud storage on ecloud.

ecloud is your personal email account, your agenda and contacts, your drive on the cloud and your online office suite, all combined in one single service, simple to use. ecloud is powered by proven open-source software like NextCloud and OnlyOffice.

Your ecloud account is free up to 1GB of storage. Our paid plans start at 1,99€ per month for 20GB.

## FAQ

### **How does this work?**

Once you have a valid e.email account, it is very easy.

All you have to do is sign up at <https://esolutions.shop/my-account/>, our ecommerce platform, so we can assign your cloud credits.

In your esolutions account space, locate the section 'Referrer' and check your unique and anonymous link.

You can copy your unique link easily and use it elsewhere, for example, emailing it to your friends or even sharing it in a tweet.

For every friend who uses this link to create a free account, you will both receive 2€ of cloud credits in your esolutions.shop account.

### **How do I invite my friends?**

It is very simple, you just have to send the unique registration link located in your esolutions account. The link is completely anonymous, it does not collect identifying information such as name or email address.

### **How can i use the credits?**

Your credits can be used once you subscribe to a extended storage plan. They will be converted in discount towards your paid subscription.

### **How long are my credits valid?**

Your credits will be valid for 24 months.

### **Can I redeem my credits against the purchase of a phone or something else at esolutions?**

Your credits are only valid towards the subscription of paid cloud plan.

### **How does it work for my friends?**

Upon clicking on the referral link, your friend will be taken to the account invitation page where she/he will be able to create a user ID and password.

Upon completing the account creation process, your friend will have a link to 2 accounts:

- an ecloud account where she/he can access the newly created e.email account, the cloud storage or get started with the only office suite,
- an ecommerce account where she/he can access his credits or subscribe to a paid storage plan.

Both will use the same login ID and password. Each password can be changed.

## **How do I create an ecloud account?**

It is very simple. Visit <https://e.foundation/e-email-invite/> to request your invitation. You will only be included in the referral program once you also sign up at <https://esolutions.shop/my-account/> and use your referral links.

## **What is ecloud?**

ecloud is a complete, fully “deGoogled”, online ecosystem.

ecloud is your personal email account with the e.email domain, your agenda and contacts, your drive on the cloud and your online office suite, all combined in one single service, simple to use. ecloud is powered by proven open-source software like NextCloud and OnlyOffice.

## **Is the referring link anonymous ?**

The link is completely anonymous, it does not collect identifying information such as name or email address. The person sending the link has no visibility to which people have used the referring link.

## **I don't see my credits in my esolutions space, what shall I do ?**
